

Dr. Christian Kau

Rechtsanwalt, Partner | Düsseldorf
Certified IP specialist lawyer

Christian Kau advises in cases with a technical background on a national and international level. He has particular expertise in the areas of information technology (IT), electronics, precision engineering as well as medical technology and pharmacy. His activities reach from litigation practice to contract negotiations, strategic assessments on market entry (freedom to operate) or the IP/IT-related support in corporate transactions. Christian Kau joined the Düsseldorf office of Preu Bohlwig in 2016; he worked for two international law firms before.
