

Carl-Alexander Dinges

Rechtsanwalt, Counsel | Hamburg

Carl-Alexander Dinges advises clients in all areas of intellectual property law, with a focus on patent law. He has extensive experience in representing national and international companies in cross-border patent infringement litigation against competitors and non-practicing entities. In this field he advises clients in particular in the business areas of telecommunications and electrical engineering as well as in the automotive industry. He has extensive experience in handling standard-essential patents and regularly assists clients in developing an effective FRAND strategy.
